Finch College

*Combining comprehensive knowledge of her field, an infectious enthusiasm and a genuine concern for her students, Mrs. Roslyn Hayes has earned the admiration and affection of all who have known her. Her total commitment to high scholastic standards has challenged us and helped us to achieve more than we thought possible. We, the class of 1968, dedicate our yearbook to Roslyn Hayes, an esteemed and valued friend, a distinguished teacher, and a person who has enriched our lives.*
